

WIS 47 (APPLETON ROAD) CONSTRUCTION

Schedule:

April through mid-August

- Construction: April 13 - early July

Location:

Winnebago County

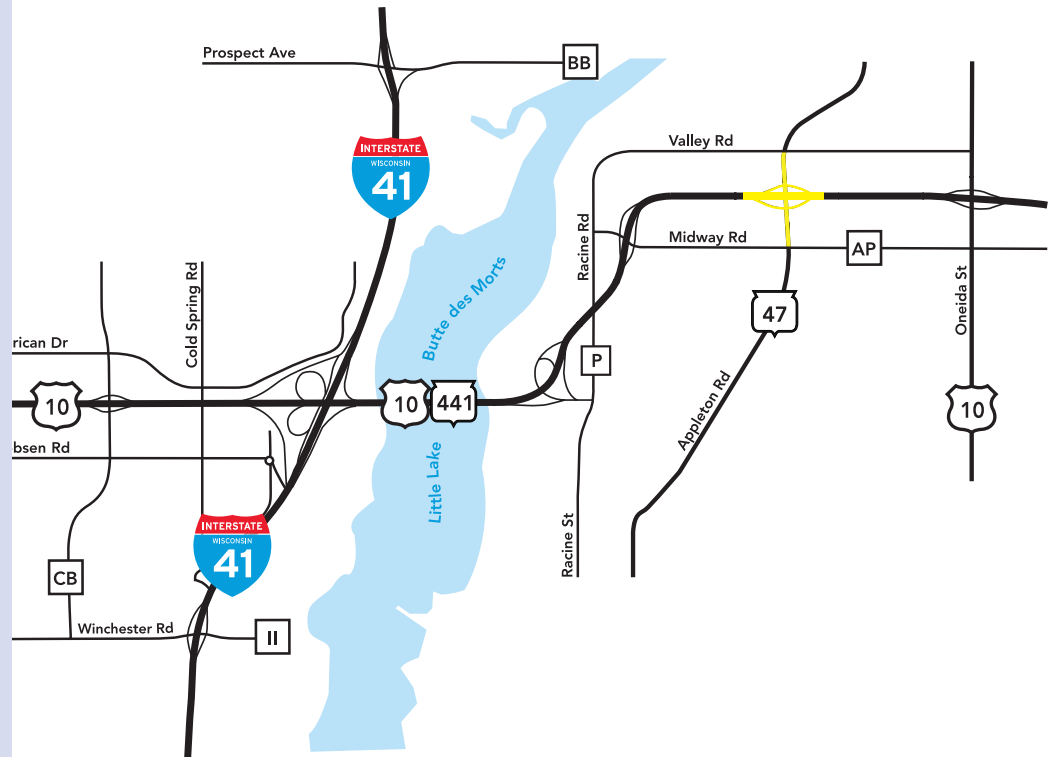

About the WIS 441 Tri-County Project:

Construction work on the WIS 441 Tri-County Project spans 6 miles along the US 10/WIS 441, from County CB to east of Oneida Street. The project includes:

- adding a new parallel bridge south of existing bridge
- reconstruction of 5 interchanges
- 4 roundabouts
- 15 traffic cameras installed
- constructing a Diverging Diamond Interchange

WIS 47 (APPLETON ROAD) INTERCHANGE & VERMILLION STREET

Project Construction Timeline (April through mid-August)

- Widen US 10/WIS 441 bridges over Appleton Road to accommodate six lanes
- Add turn lanes at ramp and crossroad intersections
- Construct roundabouts at the intersections of Appleton Road with eastbound and westbound entrance and exit ramps
- Extend Vermillion Street to Midway Road

WIS 47 (APPLETON ROAD) CONSTRUCTION

- Appleton Road between Valley Road and Midway Road interchange CLOSED for 75 days beginning on April 13, 2015.
- Drivers can use Midway Road or Oneida Street interchanges as alternate routes.
- Pedestrian access will be maintained through the work zone, and temporary access across Appleton Road will be provided to Goodwill Industries of North Central Wisconsin.
- Intermittent lane restrictions may occur on US 10/WIS 441 mainline for bridge construction from mid-April through late July.
